GO YOUR OWN WAY

GENUINE ACCESSORIES

ACCESSORISE YOUR WAY

Isuzu UTE Genuine Accessories are the perfect way to enhance and personalise your Isuzu D-MAX. Our versatile range offers a wide choice of function and style with the added peace of mind that all Isuzu UTE Genuine Accessories are forged by precise engineering and decades of automotive experience.

With Isuzu UTE Genuine Accessories finding the right accessory for your needs is easy. You will also have the confidence of a 3 year/100,000km warranty[^] and be secure in knowing you will get the correct fit every time, helping you go your own way.

[^]3 years or 100,000km whichever occurs first, only eligible on Isuzu UTE Genuine Accessories fitted by an authorised Isuzu UTE Dealer at the point of sale of a new Isuzu D-MAX vehicle. For more Isuzu UTE Genuine Accessory warranty information see the disclaimer on the back cover of this brochure.

STYLE WITH SUBSTANCE

Whether you want your vehicle to be tougher or want to take its appearance to the next level, there is a Genuine Accessory to suit every need. With a range of bull bars and nudge bars designed to provide quality protection whilst enhancing the appearance of your vehicle you'll be ready for every challenge. Give yourself a step up with our modern side steps or turn heads with our range of quality alloy wheels and other robust yet stylish accessories.

CUSTOMISED PROTECTION

When it comes to safeguarding your family and investment, Isuzu UTE offer a great range of protective accessories to help you on your way. Tow and reverse with confidence by using our genuine Isuzu UTE towing accessories, brake controllers, reversing cameras and rear park assist sensors. Keep your vehicle in peak condition with external protective accessories, including a range of weathershields, headlight protectors, bonnet protectors and tub liners. Protect the interior with hard wearing canvas seat covers, as well as carpet and rubber floor mats. No matter where your journey takes you, you can be even more confident that your D-MAX is equipped to help you go your own way.

EQUIPPED TO GET THE JOB DONE

With a versatile range of genuine alloy & steel trays, roof cargo systems and storage options, we have the right gear for any job. Whether you're carting your tools during the week or your toys on the weekend, there's a solution that will make light work of any load.

■ **Internal Load Restraint Rail**
All alloy trays feature internal load restraint points, this means ropes or straps no longer need to pass over drop sides while restraining loads. This allows for maximum load security.

■ **Dropside & Tailgate Catches**
Low coefficient of friction between operating surfaces, latch operation takes less effort as compared to traditional designs.

■ **Quick Lock Hinge**
Manufactured from an automotive grade glass reinforced nylon incorporating a captive stainless steel pivot pin. These hinges are easy to detach from the tray and are UV stabilised to ensure longevity.

■ **Tail Light Protector & Wiring Guard**
Offers increased protection from rocks, branches and other debris.

■ **Mudguards**
Manufactured from an automotive grade rubber modified polypropylene, this material has excellent memory characteristics so when deformed within its limits, it will return to its moulded shape.

■ **Window Guard**
Protects rear window from moving loads. Comes standard on all trays except Economy Alloy.

■ **Tube Headboard**
Designed for easy loading and increased protection.

The tray shown above is the heavy duty alloy tray body on a Crew Cab Chassis, coming standard with a Tube Head Board, Window Guard Frame and Tail Light Protectors
